- **Missions E3 - Educate, Empower, Employ**

Presenter: Dave Epperson

Would you like to learn more about missions and have an opportunity to join a mission trip? We will share and discuss the history, mission and vision of E3 and mission trips. To pursue our mission, we are guided by the values: 1) Love God; know Him and make Him known 2) Love and serve one another 3) Mutual respect and accountability 4) Diligence and partnership.

- **Financial Peace University**

Presenter: Christian Love

We all need a plan for our money. Financial Peace University (FPU) is that plan! It teaches God's ways of handling money. It will show you how to get rid of debt, manage your money, spend and save wisely, and much more! This workshop will be an introduction of FPU and will provide information for about locations of future classes.

- **Developing Men's Ministry**

Presenter: James Brooke, Darren Baily

Are you looking to start or rejuvenate a men's ministry in your church and/or community? Would you like to start a Men's Forum in your area to build unity among the men of your church and community? We will discuss ways to build and organize a powerful event involving local pastors and leaders to draw the Godly gifts and talents from men to serve their families, churches and communities.

Saturday Workshops

- **Single Men's Workshop**

Presenters: Kurt Von Pessler, George Hilt

Join us for discussion of challenging questions such as, "Why am I single?" "What is the focus and goal of my life?" "Am I asking the right questions?" and more!

- **Men's Advance Marriage Workshop**

Presenter: Zeke Bambolo

Like most, did you marry expecting its purpose to be procreation and pleasure? The apostle Paul, in his popular scriptures about marriage, frequently portrays marriage as more for the identification (imitation) with God, about the propagation of God's legacy. Have you thought about your marriage in that regard? Do you have a marriage (family) statement of identity and vision? We will discuss these questions and ways to contribute greatly to securing a destruction proof marriage and family life.

- **Wisdom for Life**

Presenter: Ed MCDowell

In a rapidly changing culture men need large doses of wisdom to bring guidance and focus to everyday life. Sometimes the idea of "spiritual living" and "spiritual disciplines" leaves us overwhelmed, feeling like "I can never reach that." Wisdom for life brings spiritual living into practical reality that, with God's help, is within reach for all men who follow Christ.

- Workshop for Youth (two part series):

 - **Application of *The Man Code* for young men**

Presenters: Wayne Clinton, Bryan Grimstad

Workshop specially designed for Junior High and Senior High men. We will explore the principles of *The Man Code* that Dennis Swanberg is sharing in the keynote sessions through fun activities, discussion and relationship building. This is a two part series -- Part 1 is after the Saturday morning session and Part 2 is after the Saturday afternoon session.
