

WHAT IS H.U.G.E

We are an organization quite different from other types of men's groups and ministries. The name H.U.G.E. is an acronym for Honoring God - Unifying Men - Growing in Christ - Equipping Disciples. The H.U.G.E purpose is defined by these FOUR values.

Honoring God:

We honor God by BEING men of God. We focus on God's desires, God's will, God's way, not our own way, by BEING men of God and our actions will then automatically follow. If we BE men of integrity, our actions will be filled with honesty, trustworthiness and sincerity. If we BE men of character then our "YES" will be YES and our "NO" will be no. Men will follow our lead, because we follow Jesus' lead.

Unifying Men:

We believe God has called us into ministry to serve men. We believe if God reaches men, the men will reach their families. Then families will reach their neighborhoods and their neighborhoods will reach our community. Through men, God will reach the world. And Jesus cried out for us to be unified so that the world will know He sent us. That is what motivates us. That is what gives us passion. Jesus sent us as ONE and we encourage, and foster unity among men, churches and ministries to build up His Body and to reach others who do not know Jesus yet.

Growing in Christ:

We are aware that we are sinners who have come up short of the Glory of God. Only through Jesus are we saved. Only through Jesus do we receive salvation for eternity. Even with that assurance, regardless of your journey with God, we all have areas to improve, areas to learn, areas to grow. We don't pretend we have all the answers, but through unity and the multiple connections, we are able to provide a person, a group, and even a church a way to find what they are looking for. Some need to pursue healing, compassion and mercy. Others desire to utilize their gifts and learn how to place them into the Kingdom game. We seek to BE more like Jesus every day in walking closer with Him as we follow Him better and quicker. To reflect Him as the moon reflects the sun.

Equipping Disciples:

In the beginning we felt God was developing us into a year round ministry, not just a weekend event. We do have our playoffs' which is the Men's Forum in January and February and we have our Super Bowl which is our Men's Advance in March. But we are also involved in the lives of men, the ministries and churches throughout the year. We participate in their activities. We serve our community several times a year (Serve Marysville Days, Trunk and treat, and Football Gift Drive for Christmas). We also organize and facilitate all community events with the purpose of connecting the community with fun events. These events are for everybody (Christians, seekers, men, women children: Essentially EVERYBODY). Through these events we desire to build relationships over time until we are given permission to speak into their lives and share the love of Jesus.

Relationship

Relationship

Relationship

This is the basis of the H.U.G.E. identity

Matthew 22:37-40 (NIV)

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself.'40 All the Law and the Prophets hang on these two commandments.

God Bless

James Brooke

H.U.G.E. President
